Re: Docket No. 16-01-DA

**NOTICE OF GOVERNMENT-WIDE DEBARMENT FROM FEDERAL  
PROCUREMENT AND NON-PROCUREMENT TRANSACTIONS**

This notice is issued by the United States Department of Education (Department) pursuant to 2 C.F.R. § 180.870 to inform you that you are **DEBARRED EFFECTIVE THE DATE OF THIS LETTER** from participating in any covered transactions under federal procurement and non-procurement programs and activities of any federal agency. As a consequence of being debarred, you are not eligible to receive federal financial and non-financial assistance or benefits from any federal agency under procurement or non-procurement programs and activities. Also, you may not act as a principal on behalf of any person in connection with a covered transaction. A principal is defined in 2 C.F.R. § 180.995, and includes any key employee or other person who has a critical influence on or substantive control over a covered transaction. This debarment is effective for all covered transactions unless an agency head or authorized designee grants an exception for a particular transaction in accordance with 2 C.F.R. § 180.135.

On January 20, 2016, the Department issued to you a Notice of Proposed Government-Wide Debarment from Federal Procurement and Non-Procurement Transactions, and informed you of your right to submit information and argument in opposition to such an action. The Notice was mailed to you at your last known address of record via U.S.P.S., Certified Mail, Return Receipt Requested. The Notice was returned to the Department as unclaimed. Since service was attempted at your last known address, you are deemed to have received constructive notice on January 25, 2016.

Under the applicable regulations, one subject to a proposed debarment is given thirty (30) days from receipt of the Notice to oppose the proposed action. Thirty (30) days has passed from the date you received constructive notice of the proposed action, and this office has received no correspondence from you contesting the contents of the January 20, 2016, Notice. Pursuant to 2 C.F.R. §180.870, I closed the official record on March 30, 2016.

You were President and Secretary of Dade Medical College (DMC) and the Chief Executive Officer of Florida Education Center (FEC). Beginning October 11, 2012, to about November 15, 2012, you, did knowingly and willfully, make two or more contributions to a candidate for election or retention in office. However, your contributions were made through or in the name of another, in violation of Florida Statutes. Specifically, you caused employees of DMC to make political contributions to various candidates for office in the State of Florida in the amount greater than \$159,000. You then subsequently reimbursed the employee through FEC's accounts.

You were formally charged in the Circuit Court of the Eleventh Judicial Circuit, Miami-Dade County, Florida with a single count Information for violation of FL ST §§ 106.08(5), 106.08(7)(B), and 777.011, and a single count Information for violation of FL ST § 843.02. You entered into a Plea Agreement in which you agreed to plead guilty to felony violation for making campaign contribution, and misdemeanor violation of resisting an officer without violence. The court accepted your plea, adjudicated you guilty of violating FL ST §§ 106.08(5), 106.08(7)(B), and 777.011 and adjudicated you guilty misdemeanor violation of FL ST § 843.02. The court imposed judgment on November 9, 2015.

Based upon your plea and conviction, I **FIND** that debarment is warranted. The uncontested record and the Notice of Proposed Government-Wide Debarment from Federal Non-Procurement Transactions demonstrate that debarment should be imposed inasmuch as these violations constitute serious criminal charges and are a cause for debarment under 2 C.F.R. § 180.800 (a)(3).

Under 2.C.F.R. § 180.865, the period of debarment is to be commensurate with the seriousness of the cause(s) for debarment. The charges levied against you in the Notice of Proposed Government-Wide Debarment from Federal Non-Procurement Transactions, which have gone without comment, constitute a threat to governmental programs. Accordingly, I have determined that the period of debarment will be **two** years, effective the date of this letter. The regulations contained in 2 C.F.R. Part 180, and the Non-Procurement Debarment and Suspension Procedures mailed with the Notice govern this debarment.

**SO ORDERED,**
